

# Math 2-5: Measurement and Data: Geometric Measurement and Problem Solving

## Money

Students	Learning Continuum Statements:
Students:	<b>RIT 161-170:</b> <ul style="list-style-type: none"> <li>Determines the whole number value of a collection of coins given as pictures</li> </ul>
Students:	<b>RIT 171-180:</b> <ul style="list-style-type: none"> <li>Counts on to determine the decimal value of a collection of coins and/or bills given as names</li> <li>Determines the whole number value of a collection of coins given as pictures</li> <li>Identifies equivalent sets of coins</li> </ul>
Students:	<b>RIT 181-190:</b> <ul style="list-style-type: none"> <li>Counts on to determine the decimal value of a collection of coins and/or bills given as names</li> <li>Determines the whole number value of a collection of coins given as coin names</li> <li>Determines the whole number value of a collection of coins given as pictures</li> <li>Identifies equivalent sets of coins</li> <li>Solves word problems involving amount spent or change received, whole numbers, and coin names or pictures</li> </ul>
Students:	<b>RIT 191-200:</b> <ul style="list-style-type: none"> <li>Counts on to determine the decimal value of a collection of coins and/or bills given as names</li> <li>Determines possible coin combinations equivalent to a specific amount, given either coin names or a specified number of coins</li> <li>Determines the whole number value of a collection of coins given as coin names</li> <li>Solves multi-step money word problems involving decimals and coins and/or bills given as names</li> <li>Solves multi-step money word problems involving whole numbers and coins and/or bills given as names</li> <li>Solves word problems involving amount spent or change received, whole numbers, and coin names or pictures</li> </ul>
Students:	<b>RIT 201-210:</b> <ul style="list-style-type: none"> <li>Determines possible coin combinations equivalent to a specific amount, given either coin names or a specified number of coins</li> <li>Solves multi-step money word problems involving decimals and coins and/or bills given as names</li> <li>Solves word problems involving amount spent or change received, whole numbers, and coin names or pictures</li> </ul>
Students:	<b>RIT 211-220:</b> <ul style="list-style-type: none"> <li>Determines possible coin combinations equivalent to a specific amount, given either coin names or a specified number of coins</li> <li>Solves multi-step money word problems involving decimals and coins and/or bills given as names</li> </ul>
Students:	<b>RIT 221-230:</b> <ul style="list-style-type: none"> <li>Determines possible coin combinations equivalent to a specific amount, given either coin names or a specified number of coins</li> </ul>
