Properties and Relationships of Operations

Students	Learning Continuum Statements:
Students:	**RIT 191-200:** • Understands multiplication as scaling
Students:	**RIT 201-210:** • Understands multiplication as scaling
Students:	**RIT 211-220:** • Understands multiplication as scaling
Students:	**RIT 221-230:** • Understands multiplication as scaling
Students:	**RIT 231-240:** • Understands that dividing by a fraction is the same as multiplying by its reciprocal • Understands the effect of multiplying whole numbers by fractions less than 1
Students:	**RIT 241-250:** • Understands that multiplying whole numbers and fractions involves multiplying the whole number and the numerator, then dividing by the denominator
