

Math 6+: Computation and Problem Solving

Whole Numbers: Represent and Solve Problems

Properties and Relationships of Operations

Students

Learning Continuum Statements:

Students:

RIT 191-200:

- Understands multiplication as a comparison of sizes
- Understands multiplication as many groups of equal size

Students:

RIT 201-210:

- Understands addition as putting together
- Understands division as equal sharing
- Understands multiplication as a comparison of sizes
- Understands multiplication as many groups of equal size

Students:

RIT 211-220:

- Understands division as equal sharing
- Understands multiplication as a comparison of sizes

Students:

RIT 221-230:

- Understands division as equal sharing
- Understands multiplication as a comparison of sizes
