

Math 6+: Computation and Problem Solving
Whole Numbers: Represent and Solve Problems

Whole Numbers and Decimals: Rounding and Estimation

Students **Learning Continuum Statements:**

Students:

RIT 181-190:

- Estimates solutions to one-step word problems involving any of the four operations with whole numbers

Students:

RIT 191-200:

- Estimates solutions to one-step word problems involving any of the four operations with whole numbers

Students:

RIT 201-210:

- Estimates solutions to one-step word problems involving any of the four operations with whole numbers

Students:

RIT 211-220:

- Determines whether an estimate or an exact answer is needed
- Estimates solutions to one-step word problems involving any of the four operations with whole numbers

Students:

RIT 221-230:

- Estimates solutions to multi-step word problems involving the four operations with whole numbers
