

# Math 6+: Measurement Time, Temperature, and Money

## Temperature

Students	Learning Continuum Statements:
----------	--------------------------------

<b>Students:</b>	
------------------	--

**RIT 151-160:**

- Reads thermometers with intervals of 5 or 10

<b>Students:</b>	
------------------	--

**RIT 161-170:**

- Reads thermometers with intervals of 5 or 10

<b>Students:</b>	
------------------	--

**RIT 171-180:**

- Reads thermometers with intervals of 5 or 10

<b>Students:</b>	
------------------	--

**RIT 181-190:**

- Reads thermometers with intervals of 1 or 2

<b>Students:</b>	
------------------	--

**RIT 191-200:**

- Reads thermometers with intervals of 1 or 2
- Solves problems involving reading thermometers

<b>Students:</b>	
------------------	--

**RIT 201-210:**

- Identifies benchmark Fahrenheit temperatures for given situations

<b>Students:</b>	
------------------	--

**RIT 211-220:**

- Solves multi-step temperature word problems involving whole numbers
