

Math 6+: Number Sense Exponents, Radicals, and Scientific Notation

Radicals

Students

Learning Continuum Statements:

Students:

RIT 241-250:

- Converts between exponential and radical form

Students:

RIT 251-260:

- Converts between exponential and radical form

Students:

RIT 261-270:

- Converts between exponential and radical form

Students:

RIT 271-280:

- Converts between exponential and radical form
