

# Math 6+: Number Sense

## Whole Numbers: Place Value, Counting and Rounding

### Exponents

#### Students

#### Learning Continuum Statements:

#### Students:

##### RIT 211-220:

- Reads and writes whole numbers within 100,000 using powers of 10 in exponential form

#### Students:

##### RIT 221-230:

- Reads and writes whole numbers within 100,000 using powers of 10 in exponential form

#### Students:

##### RIT 231-240:

- Reads and writes whole numbers greater than 100,000 using powers of 10 in exponential form
- Reads and writes whole numbers within 100,000 using powers of 10 in exponential form

#### Students:

##### RIT 241-250:

- Reads and writes whole numbers greater than 100,000 using powers of 10 in exponential form
