

**Primary Math: Algebra**  
**Patterns, Algebraic Concepts, and Relationships**

## **Whole Numbers: Number Line**

**Students**

**Learning Continuum Statements:**

**Students:**

**RIT 161-170:**

- Solves for the unknown change in a subtraction equation within 10 using a number line
- Solves for the unknown change in an addition equation within 10 using a number line

**Students:**

**RIT 171-180:**

- Solves for the unknown change in a subtraction equation within 10 using a number line
