

# Primary Math: Measurement and Geometry

## Measurement, Money, and Problem Solving with Units

### Capacity

#### Students

#### Learning Continuum Statements:

#### Students:

##### RIT 131-140:

- Compares the capacity of objects

#### Students:

##### RIT 141-150:

- Compares the capacity of objects

#### Students:

##### RIT 151-160:

- Compares the capacity of objects

#### Students:

##### RIT 161-170:

- Orders objects by capacity

#### Students:

##### RIT 171-180:

- Understands standard units for capacity

#### Students:

##### RIT 181-210:

- *No Skills Listed*

#### Students:

##### RIT 211-220:

- Understands metric units for capacity
