

Primary Math: Measurement and Geometry

Measurement, Money, and Problem Solving with Units

Problem Solving with Units

Students	Learning Continuum Statements:
----------	--------------------------------

Students:	
------------------	--

	RIT 171-180:
--	---------------------

- Solves one-step capacity word problems involving whole-number addition or subtraction

Students:	
------------------	--

	RIT 181-190:
--	---------------------

- Solves one-step capacity word problems involving whole-number addition or subtraction

Students:	
------------------	--

	RIT 191-200:
--	---------------------

- Solves one-step money word problems involving whole number addition or subtraction

Students:	
------------------	--

	RIT 201-210:
--	---------------------

- Solves one-step capacity word problems involving whole number multiplication or division

Students:	
------------------	--

	RIT 211-220:
--	---------------------

- Solves problems involving perimeters of rectangles within a real-world or mathematical context
