

Primary Math: Statistics and Probability
Data, Probability, and Predictions

Measures of Center and Spread (Variability)

Students

Learning Continuum Statements:

Students:

RIT 161-170:

- Determines the mode of a data set using the term "most"

Students:

RIT 171-180:

- Determines the median of a data set that is ordered
- Determines the mode of a data set using the term "most"

Students:

RIT 181-190:

- *No Skills Listed*

Students:

RIT 191-200:

- *No Skills Listed*

Students:

RIT 201-210:

- Determines the range of a data set
