

# Primary Math: Number and Operations in Base Ten: Operations in Base Ten: Addition $\leq 5$ :

Students: Addition  $\leq 5$ :

Students:	<b>RIT 151-160:</b>	
	151	Determines basic addition facts (sum $\leq 5$ ; horizontal representation)
	151	Determines basic addition facts (sum $\leq 5$ ; vertical representation)
	152	Determines basic addition facts (sum $\leq 5$ ; horizontal representation)
	152	Determines basic addition facts (sum $\leq 5$ ; vertical representation)
	153	Determines basic addition facts (sum $\leq 5$ ; horizontal representation)
	153	Determines basic addition facts (sum $\leq 5$ ; vertical representation)
	154	Determines basic addition facts (sum $\leq 5$ ; vertical representation)
	156	Determines basic addition facts (sum $\leq 5$ ; vertical representation)
Students:	<b>RIT 141-150:</b>	
	141	Determines basic addition facts (sum $\leq 5$ ; horizontal representation)
	142	Determines basic addition facts (sum $\leq 5$ ; horizontal representation)
	142	Determines basic addition facts (sum $\leq 5$ ; vertical representation)
	143	Determines basic addition facts (sum $\leq 5$ ; vertical representation)
	144	Determines basic addition facts (sum $\leq 5$ ; horizontal representation)
	144	Determines basic addition facts (sum $\leq 5$ ; vertical representation)
	145	Determines basic addition facts (sum $\leq 5$ ; horizontal representation)
	145	Determines basic addition facts (sum $\leq 5$ ; vertical representation)
	147	Determines basic addition facts (sum $\leq 5$ ; horizontal representation)
	147	Determines basic addition facts (sum $\leq 5$ ; vertical representation)
	148	Determines basic addition facts (sum $\leq 5$ ; horizontal representation)
	148	Determines basic addition facts (sum $\leq 5$ ; vertical representation)
	149	Determines basic addition facts (sum $\leq 5$ ; horizontal representation)
	150	Determines basic addition facts (sum $\leq 5$ ; horizontal representation)
	150	Determines basic addition facts (sum $\leq 5$ ; vertical representation)
Students:	<b>RIT 131-140:</b>	
	136	Determines basic addition facts (sum $\leq 5$ ; vertical representation)
	137	Determines basic addition facts (sum $\leq 5$ ; horizontal representation)
	138	Determines basic addition facts (sum $\leq 5$ ; vertical representation)
