

## Science 3 – 5 for use with NGSS 2013:

### Life Science: Heredity: Inheritance and Variation of Traits; Biological Evolution: Unity and Diversity

## Effects of Humans on Habitats and Living Things

Students	Learning Continuum Statements:
----------	--------------------------------

Students:	
-----------	--

**RIT 191-200:**

- Infers causes for populations moving to new locations based on observational data

Students:	
-----------	--

**RIT 201-210:**

- 

Students:	
-----------	--

**RIT 211-220:**

- Evaluates the merit of solutions intended to restore plants and animals to a changing ecosystem
- Predicts the effects of solutions intended to restore plants and animals to a changing ecosystem
