

## Science 3 – 5 for use with NGSS 2013:

### Physical Science: Energy; Waves and Their Applications in Technologies for Information Transfer

## Engineering Problems

#### Students

#### Learning Continuum Statements:

---

#### Students:

##### RIT 181-190:

- Determines suitable materials for solving problems related to heat from the Sun

#### Students:

##### RIT 191-200:

- Determines suitable materials for solving problems related to heat from the Sun
